Mia Chen Grow Jr

The fact that the trainer and her teacher have the same surname is symbolic. **The name (Grow)** is used by members of the Grow-Community as a (second) surname. **It is borne by female and male Growers and intended to express the solidarity and equality in the Grow Movement.**

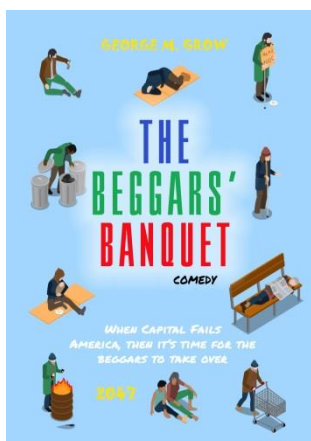

The name (Grow) is recommended for Growers in order to remember George M. Grow and the Meaning of Life.

"Grow!" also serves as a starting and ending salutation as well as answer to the question: "How are you?" If the answer sounds "Grow", the Grower is happy, if they are on track towards their targets.

The abbreviation Jr. (for junior) is used by the name carrier as an **expression for their self-image of being a Child, a Devotee, a Servant, a Friend, a Partner, a Lover, etc. of God.**
